MCRC FROST CALL 037-20 DATED 10 APRIL 2020

- From: Commanding General, Marine Corps Recruiting Command
- SUBJ: COVID-19 GUIDANCE SPECIFIC TO OFFICER ACCESSIONS AND THE FY20 SUMMER SHIPPING CYCLE
- Ref: (a) MCRCO 1100.2A, Officer Commissioning Manual
 - (b) FC 031-19 CORONAVIRUS DISEASE 2019 (COVID-19)
 - (c) FC 035-19 COVID-19 GUIDANCE TO THE FORCE dtd 25 Mar 20
 - (d) FC 036-19 UPDATE TO CORONAVIRUS DISEASE 2019 (COVID-19) USMEPCOM 14 DAY RESPONSE MEASURES (PHASE III) EXECUTE SCREENING PRIOR TO PROCESSING
- Encl: (1) Officer Candidate Pre-ship Checklist
 - (2) TBS Checklist
 - (3) Questions required by each recruiter, PSR, OSO and MOI
 - (4) Quarantine Attestation Completion Form

1. <u>Purpose</u>. To provide updated guidance on pre-ship screening requirements prior to shipping to Officer Candidates School (OCS) and reporting to The Basic School (TBS), between May-July 2020.

2. <u>Background</u>. Reference (a) directs Officer Selection Officers (OSOs) and Marine Officer Instructors (MOIs) to complete enclosure (1), between 30-60 days of officer applicants and midshipmen (MIDN) shipping to OCS. OSOs and MOIs also must complete enclosure (2) on Lieutenants prior to reporting to TBS. These documents are completed in full, to include physical fitness tests (PFTs), height and weight, and body fat percentages, to ensure the officer applicant, MIDN, and Lieutenant meets the established requirements prior to shipping/reporting. [For the remainder of this FROST Call "OCS Candidates" refers both to officer applicants and MIDN].

3. <u>Information</u>. The current operating environment necessitates modified in-processing at OCS and TBS - specifically, the inclusion of a 14-day restriction of movement (ROM) phase. To support the effort of reducing risk to each pool, MCRC also will modify processing for OCS Candidates shipping to OCS and Lieutenants reporting to TBS, between May-July 2020. References (b) though (d) remain in effect.

a. TBS will incorporate the 14-day ROM into the period of instruction (POI). No dates are expected to change; reporting and graduation dates remain fixed for now.

b. OCS will incorporate the 14-day ROM into the POI. Furthermore, OCS Candidates will not be permitted to visit with family and friends during the ROM or the training cycle. During liberty periods, OCS Candidates will be restricted to Brown Field, unless directed otherwise by their OCS chain of command. The following changes have been made to the OCS shipping and completion dates:

1) PLC 1st Inc's ship date remains 23 May; however, completion and graduation ceremonies will now occur on 10 and 11 Jul, respectively.

SUBJ: COVID-19 GUIDANCE SPECIFIC TO OFFICER ACCESSIONS AND THE FY20 SUMMER SHIPPING CYCLE

2) PLCC and OCC 234 now will ship on 9 Jun and graduate on 15 Aug.

3) PLC 2d Inc's ship date now is 27 June; however, completion and graduation ceremonies remain scheduled for 14 and 15 Aug, respectively.

c. Separately, reference (d) directs the Recruiting Regions to develop and execute a 14-day quarantine prior to processing applicants at MEPS. This requirement remains in place for all officer applicant processing; however, effective immediately, OCS Candidates and Lieutenants now will execute a 14-day self-quarantine prior to shipping to OCS and TBS, respectively.

4. <u>Quarantine definition</u>. Per the Centers for Disease Control and Prevention (CDC) and reference (d), quarantine separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick. In keeping with CDC's standard, an applicant/poolee is considered to have met the requirements of quarantine if he/she has practiced social distancing, listened to and followed the directions of their state and local authorities, stayed home, avoided any non-essential travel, kept at least six feet away from other people in public, avoided eating or drinking in restaurants, bars, and food courts, and avoided visiting nursing homes, retirement, or long-term care facilities.

5. Action. In adherence to reference (c) OSOs and MOIs will limit contact with OCS Candidates through the following actions:

a. OSOs and MOIs are authorized and encouraged to complete enclosures (1) and (2) telephonically.

b. If local guidance precludes, or an OSO or MOI determines the current environment unsafe for, the execution of the pre-ship PFT to be conducted in person, OCS Candidates and Lieutenants will conduct a self-adminstered PFT 30-45 days prior to shipping to OCS or reporting to TBS. Marine Corps PFT scoring tables and videos for proper execution of each event, can be found at the following link: <u>https://www.fitness.marines.mil/PFT-</u> <u>CFT Standards17/</u>. Both the self-administered PFT, and the last recorded PFT administrered by an OSO/MOI, should reflect on enclosures (1) and (2). OSOs and MOIs will remind Candidates that OCS induction PFT standards remain 220 points, and the passing of all three events. Similarly, Lieutenants reporting to TBS must achieve a minimum PFT score of 235 points to pick-up with a training company.

c. OCS Candidates and Lieutenants will execute a 14-day self-quarantine as described in paragraph (4). During the quarantine, OCS Candidates and Lieutenants will provide a minimum of three self-administered temperature readings prior to arriving at OCS/TBS. OCS Candidates and Lieutenants will record their last reading within three days of reporting to OCS/TBS. All readings will be documented on enclosure (4).

d. OSOs and MOIs will verify, to the best of their ability, all OCS Candidates and Lieutenants have completed enclosures (3) and (4) and instruct them to hand carry the enclosures to OCS/TBS.

SUBJ: COVID-19 GUIDANCE SPECIFIC TO OFFICER ACCESSIONS AND THE FY20 SUMMER SHIPPING CYCLE

e. OSOs and MOIs will direct any OCS Candidate and Lieutenant who displays a fever, displays symptoms consistent with COVID-19, or fails to meet the 14-day self-quarantine period, not to ship OCS/TBS, and will report this to MCRC OP via the appropriate chain of command.

f. Marine Corps Districts will conduct 100% screening of pre-ship checklists in accordance with reference (a) and report accountability of completion of the Quarantine Attestation Screening Form to the appropriate region AOP.

6. This FROST Call will be cancelled on 31 Jul 2020; however, MCRC OP will monitor the evolving situation and provide modification/update as required.

7. Points of contact are LtCol Isaiah Martinez or Mr. Mark Jovich, G-3, Officer Programs, at (703) 784-9642.
