PART IV. REVIEW		
This section to be filled out for all Non-Prior service and Prior service enlisted and officer applicants.		
(1) If the applicant responded "Yes" to question 1 and/or 2, the tattoo must be reviewed to determine eligibility and proper level of review. If the applicant responded "Yes" to questions 3 through 8, the applicant is ineligible (with the exception to the band tattoo authorized on one finger) for enlistment or commission without a Region CG or MCRC CG level adjudication review. (2) Digital photos are required for all reviews. Photos are not required of applicants with upper or lower torso tattoos covered by the standard warm weather physical training uniform (green on green) as it lies naturally on the body. Applicants will hand draw pictures of upper and lower torso tattoos indicating size, content and location. Under no circumstances will any applicant be photographed in less clothing than the green on green uniform. (3) All questionable body markings in regards to content, size, number or location (current or removed) will be forwarded to the appropriate authority for approval and review. Check appropriate review authority: ☐ <u>Recruiting District</u>: Review tattoos for applicants applying for PLC, OCC, and Four Year NROTC Scholarship programs. ☐ <u>Marine Corps Recruiting Command</u>: Review tattoos for applicants applying for all other commissioning and Warrant Officer programs. ☐ <u>RS review</u> ☐ <u>Region CG adjudication required</u> ☐ <u>OIC or above review (PSR)</u> Commissioned Officer's Reviewing Comments:
