

Dear Musician,

Thank you for your interest in the U.S. Marine Music Program. Please review the following letter and enclosed materials for information concerning the process of becoming a United States Marine Musician. There are two steps for qualification: you must establish your entrance qualifications as a musician and also for military service as a United States Marine. The Musician Placement Director is the Marine responsible for reviewing and certifying your musical qualification. A local Marine Corps recruiter will help you determine your Marine Corps entrance qualifications and guide you through the process of becoming a Marine.

In order to become eligible to serve as a Marine Musician, musical proficiency must be established in accordance with Marine Corps Audition Standards. By following a two round process, we will establish an applicant's potential for service as a Marine Musician. The first round is a Screening Round, wherein we learn about your musical background and establish the likelihood of successfully meeting the requirements of the next round. Upon successful evaluation, you will be invited to participate in the Audition Round, which consists of a live audition proctored by the Musician Placement Director. This serves as the final determining factor for establishing musical entrance qualifications for service as a Marine Musician.

### **Screening Round**

The Screening Round is used to establish musical background and potential to succeed in the Audition Round. The applicant will provide the following materials: audio OR video recordings performing required musical excerpts, a completed Musician Applicant Fact Sheet, and most recent résumé. Submission instructions are provided on the Applicant Fact Sheet.

Audio recordings must be of good quality and in MP3 format only. One recording per excerpt. Please state your name, date of recording, and the excerpt name at the start of each recording.

If you choose to submit video recordings please ensure the sound quality is good and the video is recorded in a professional setting. One continuous video *file* is preferred, but the excerpts do not have to be done in one continuous session (you may pause or cut the video as needed). Video should be a full view of the applicant.

### **Audition Round**

Based on successful evaluation of the Screening Round, the applicant may be invited to perform the Audition Round. The Musician Placement Director will hold the Audition Round within the applicant's geographical area. Dates for the Audition Round may be previously published or, in some cases, individually scheduled. The Audition Round for all percussion instrumentalists consists of the following:

#### **Event 1 – Perform on rudimental snare drum:**

- (a) Legend of a Two-Eyed Soldier by Freytag, Drum Corps on Parade by Pratt, Swinging the Swiss Pataflafla by Pratt and Odyssey II by Lynch.
- (b) Selected rudiments chosen by proctor from the 26 standard American Rudiments (from memory).
- (c) double stroke roll; performed from open to closed to open.

#### **Event 2 – Perform on concert snare:**

- (a) Advanced Drum Studies #2 by Peters, Portraits in Rhythm by Cirone and Method for Snare Drum Etude 23 by Delacuse.
- (b) concert roll from softest possible to loudest possible.
- (c) perform sight-reading as provided by proctor.

**Event 3** – Perform on mallet instrument (xylophone/marimba):

(a) Allegro II by Goldenburg; Etude V by Goldenburg; Bach's Violin Concerto in A Minor adapted by Goldenburg.

**Event 4** – Perform on drum set:

(a) swing/bebop, bossa nova, samba, bolero, cha-cha, mambo, rock, and funk/fusion (alone or with optional play-along tracks of the applicant's choosing).

(b) perform sight-reading as provided by the proctor.

(c) perform selected styles with live musicians (rhythm section) provided by proctor – depending on availability.

Thank you again for your interest in becoming a Marine Musician.

Sincerely,

*Gerald K. Ebo*
