**STUDENT NAVAL AVIATOR (MARINE) TRAINING AGREEMENT**

From: lam A. Marine xxx xx 1234

1. I understand that, should my request for guarantee of assignment to aviation training be approved, I will be commissioned with Military Occupational Specialty 7599 (Flight Student), and that I am guaranteed assignment to aviation training upon successful completion of The Basic School, provided I am physically qualified for such assignment at that time.
2. I agree not to tender my resignation for ninety-six months from the date of my designation as a naval aviator. I understand that my resignation submitted prior to completion of that minimum period will normally be rejected.
3. I further agree that in the event I am separated from flight training as a result of flight failure, practical work failure, or physical disqualification, I will serve on active duty in a commissioned status for a period of four years from the date initially assigned to active duty as a commissioned officer.
4. I further agree that in the event I am separated from flight training as a result of my own request or by reason of academic failure, I will serve on active duty in a commissioned status for a period of four years from the date initially assigned to active duty as a commissioned officer, plus an extension of active service equal to the time spent in flight training.

1. In connection with my application for enrollment in the **MARINE OPTION NAVAL RESERVE OFFICERS TRAINING CORPS (NROTC) STUDENT NAVAL AVIATOR (SNA)** program of the United States Marine Corps (USMC), I hereby acknowledge that:

a. Final approval of my application for enrollment in the **MARINE OPTION NROTC SNA** program as an officer candidate will be determined by the Commandant of the Marine Corps (CMC).

b. Upon reporting for training to Officer Candidates School (OCS), I will be required to participate in training for a minimum of four (4) weeks, regardless of assignment to either a 6-Week Pre-Commissioning, 6-Week Commissioning, or 10-Week Commissioning Program, unless sooner disenrolled for cause, before any voluntary request for disenrollment will be considered.

(1) If I am disenrolled from OCS and not recommended for future attendance by the Commanding Officer of OCS, I will be disenrolled from the **MARINE OPTION NROTC SNA** program.

(2) If I am disenrolled from OCS but recommended for future attendance by the Commanding Officer of OCS, I will be conditionally retained in the **MARINE OPTION NROTC SNA** program and have the opportunity to return to OCS if recommended by my command and approved by CMC.

(3) If I voluntarily disenroll from OCS at any time during the course of training, I will also be disenrolled from the **MARINE OPTION NROTC SNA** program.

c. I am entitled to pay and allowances while attending OCS not less than those prescribed for pay grade E-5 or the highest pay grade achieved if I enter this obligation directly from current service at a pay grade above E-5.

d. Upon satisfactory completion of all commissioning requirements, I understand that I must choose to either accept or decline a commission if one is tendered to me, and that deferred acceptance is not authorized.

e. A commission in the USMC is held at the pleasure of the President of the United States.

f. I understand that I will incur a Military Service Obligation (MSO) of eight (8) years in the USMC from the date of appointment to commissioned grade.

(1) Any portion of this eight (8) year MSO not served on active duty will be served on inactive duty as a member of the Individual Ready Reserve (IRR) or as a member of the Selected Marine Corps Reserve (SMCR)

g. A resignation of my commission submitted prior to completion of this eight (8) year period will normally be rejected and, after this period, may be accepted or rejected by the President, as the needs of the service may then require.

h. Upon completion of OCS and acceptance of appointment to commissioned grade, I will be assigned primary Military Occupational Specialty (MOS) 7599 (Student Naval Aviator) and further be assigned to The Basic School (TBS) for commissioned officer training.

i. Upon successful completion of TBS, I will be assigned to the first available flight training class if I am physically qualified for such assignment when said class becomes available. Any projected delay in assignment to flight training may result in a temporary assignment to duties as dictated by the needs of the USMC until assignment to flight training can be effected.

j. After completion of TBS, any period of delay in assignment to flight training in excess of nine (9) months will be counted towards the ninety-six (96) month obligation, set forth in paragraph 2 a.

2. I consent to serve as a commissioned officer on extended active duty for the following minimum periods and understand that a request for release from active duty prior to completion of the minimum period will normally be rejected.

a. Ninety-six (96) months from the date of my successful completion of flight training and designation as a Naval Aviator, or

(a) Notwithstanding any other provision of law, when the President determines that the national interest so requires, he may, if Congress is not in session, having adjourned sine die, authorize the Secretary of Defense to extend for not more than six months enlistment, appointments, periods of active duty, periods of active duty for training, periods of obligated service, or other military status, in any component of the armed forces, that expire before the thirtieth day after Congress next convenes or reconvenes
