

**ADDENDUM TO SERVICE AGREEMENT (1100)
PLATOON LEADERS CLASS (LAW)
NAVMC 10698 (8-08)**

1. I voluntarily agree to access to active duty and accept Permissive Temporary Additional Duty (PTAD) orders in support of Marine Corps Recruiting Command operations.

2. By voluntarily agreeing to access to active duty and accepting PTAD orders, my total extended active duty service obligation will be increased by the amount of time I spend on PTAD orders prior to executing Permanent Change of Station orders to The Basic School. However, my time on PTAD will count toward that increased active duty service obligation.
 - a. Effectively, this means that my time served on active duty PTAD will not count toward the extended active duty service obligation contained in my original service agreement nor any additional active duty service obligation resulting from my acceptance of Financial Assistance and/or Marine Corps Tuition Assistance.

 - b. Other calculations of time based on the date I access to active duty, such as eligibility for retirement, will not be affected by this addendum; they will be based on the date I access to active duty by executing PTAD orders.

3. I have read and completely understand the meaning and content of the above. No promises, either written or oral, have been made to me in connection with my voluntary agreement to access to active duty and accept PTAD orders except as specified as above and found in applicable statutes, regulations, and orders. I acknowledge receipt of a copy of this document.
